Foreword

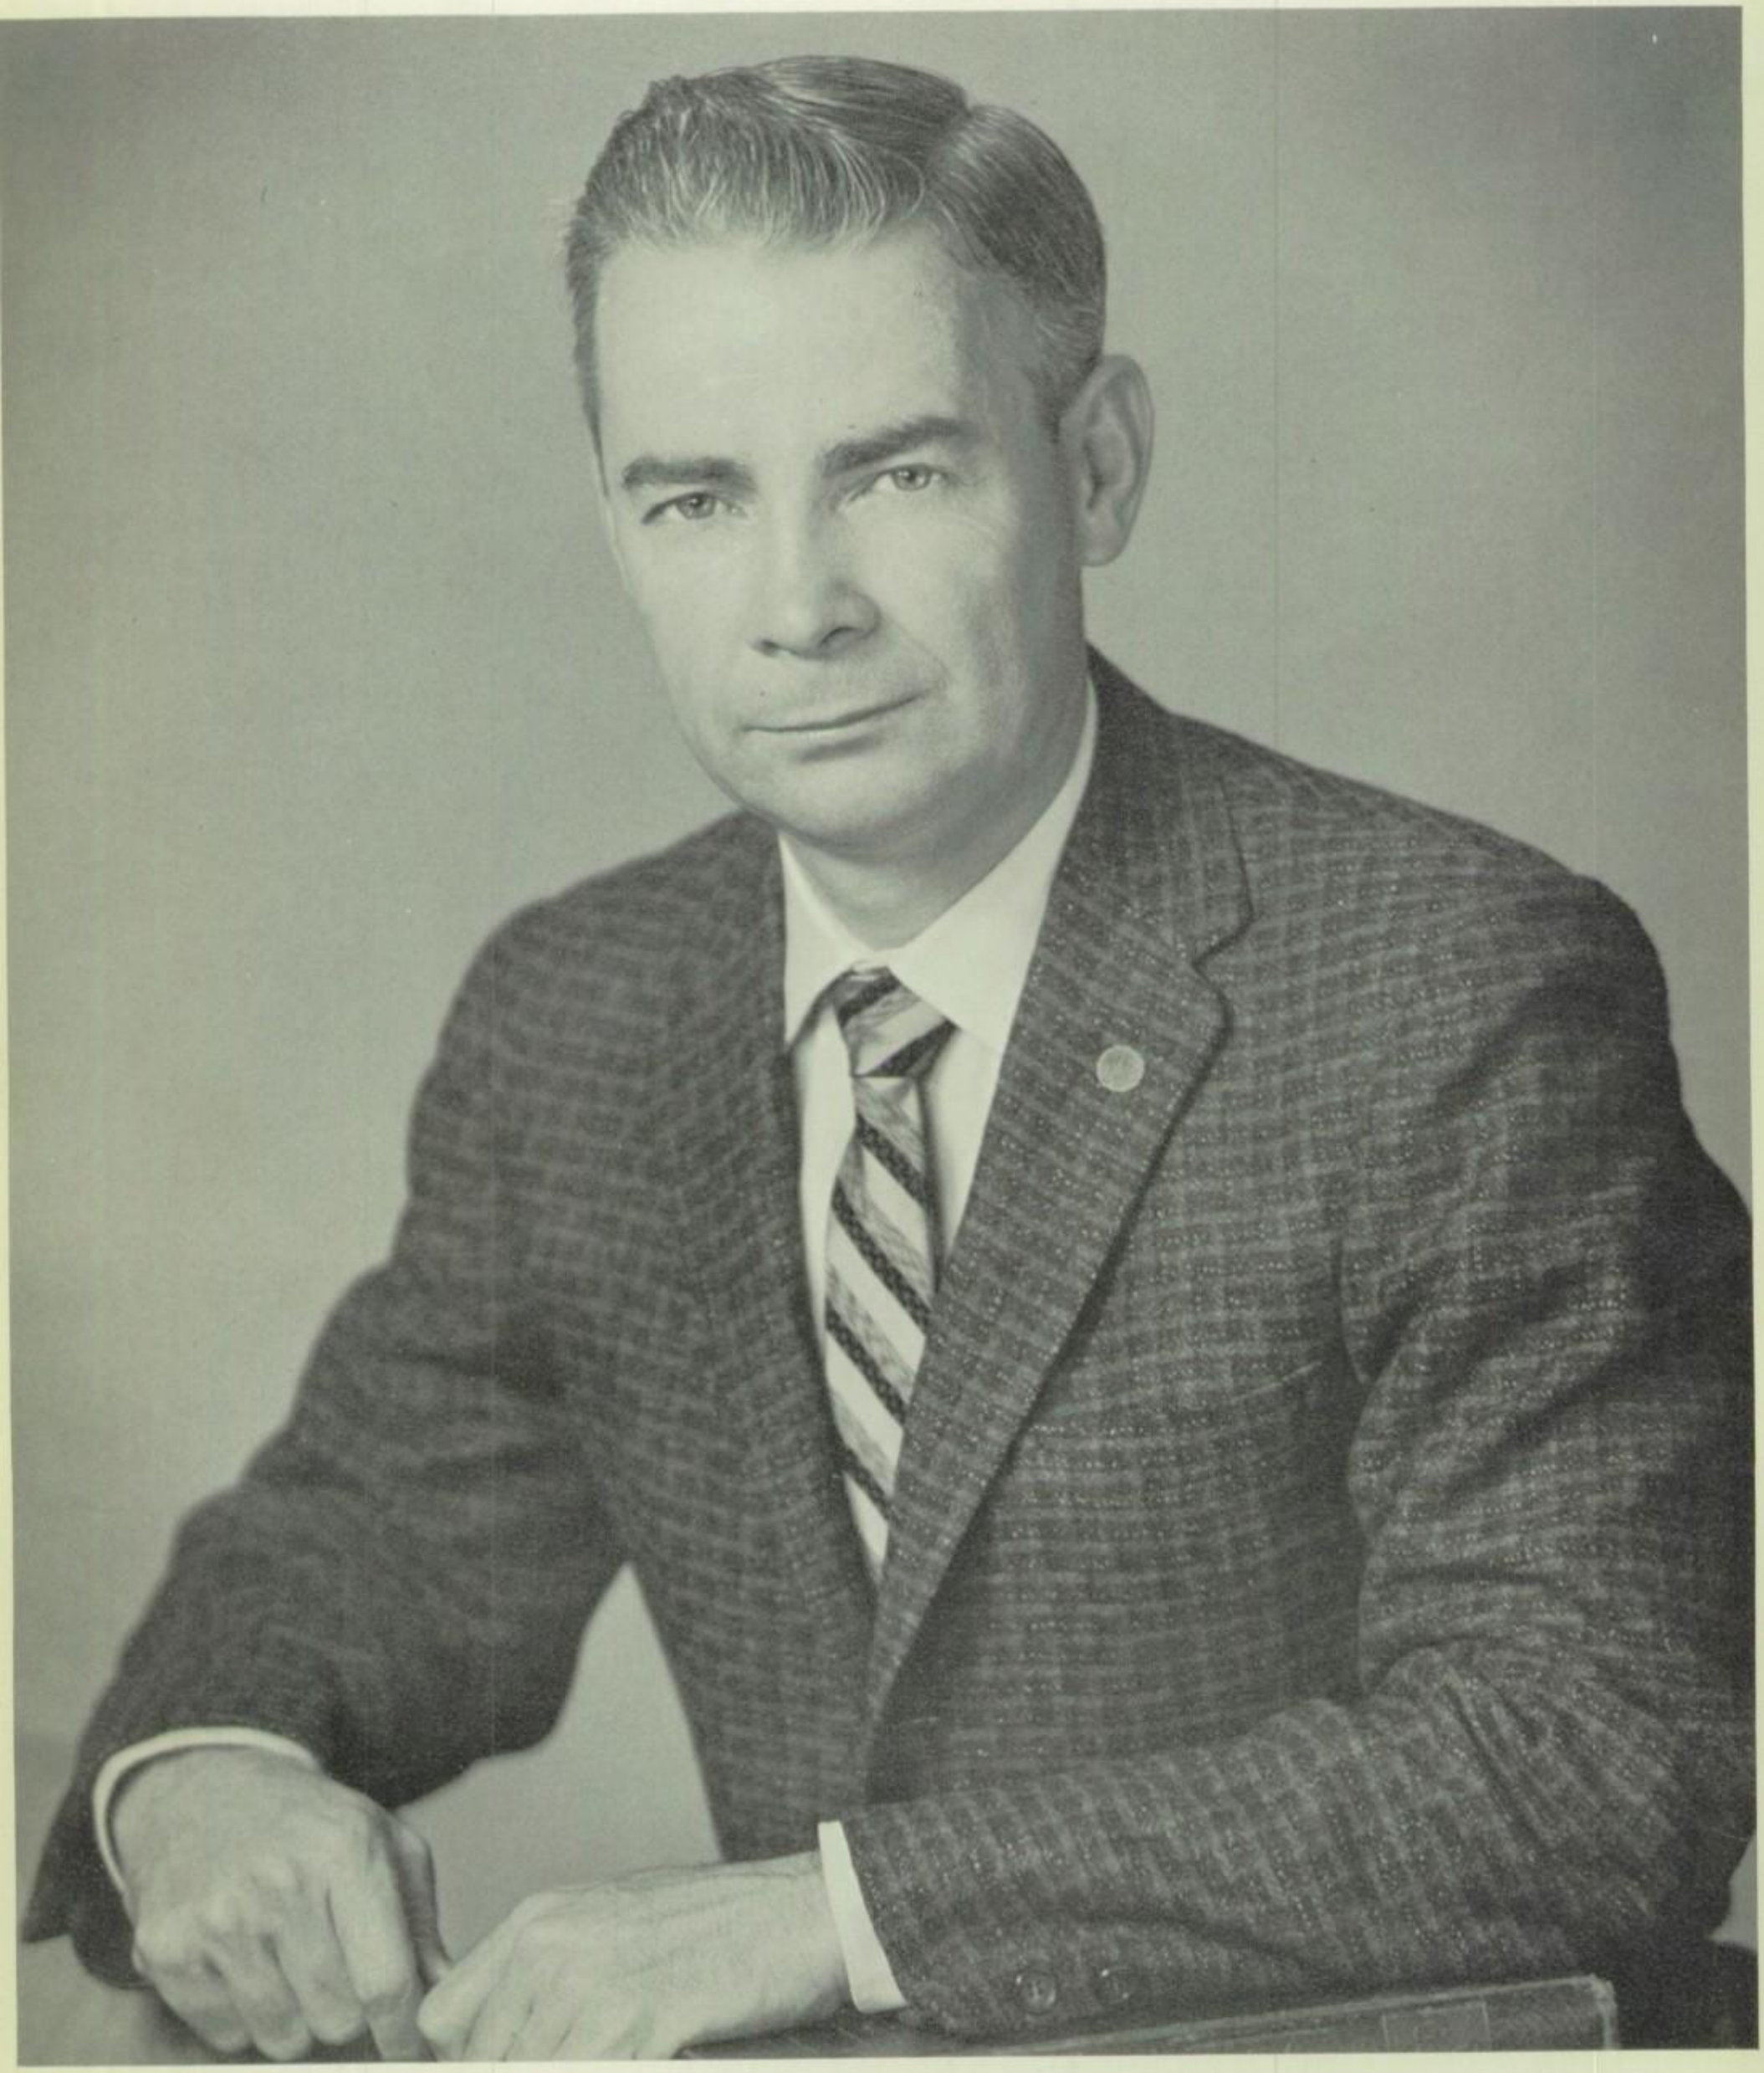
Again this year, the Staff has tried to produce an Annual that you will remember and treasure forever.

As you turn through the pages of this Annual, you will notice that the theme is "Doors." One finds that there are many doors in life, and behind each one is a new adventure, disappointment, sadness, or joy.

As this year went along, the Staff worried, worked, argued, and also had a great deal of fun producing this Annual. Now at last, a new Annual has emerged — an Annual that we hope will be "a memory book. . . a reference file. . . and a picture album." We have tried to produce an Annual this year that meets those requirements to the fullest extent.

We now proudly present the 1960 - 1961 GLACIER.

In Dedication . . .



Mr. Robert F. Christian

Every year the Staff has the problem of chosing a person for the Dedication. After much discussion, one person is finally agreed upon.

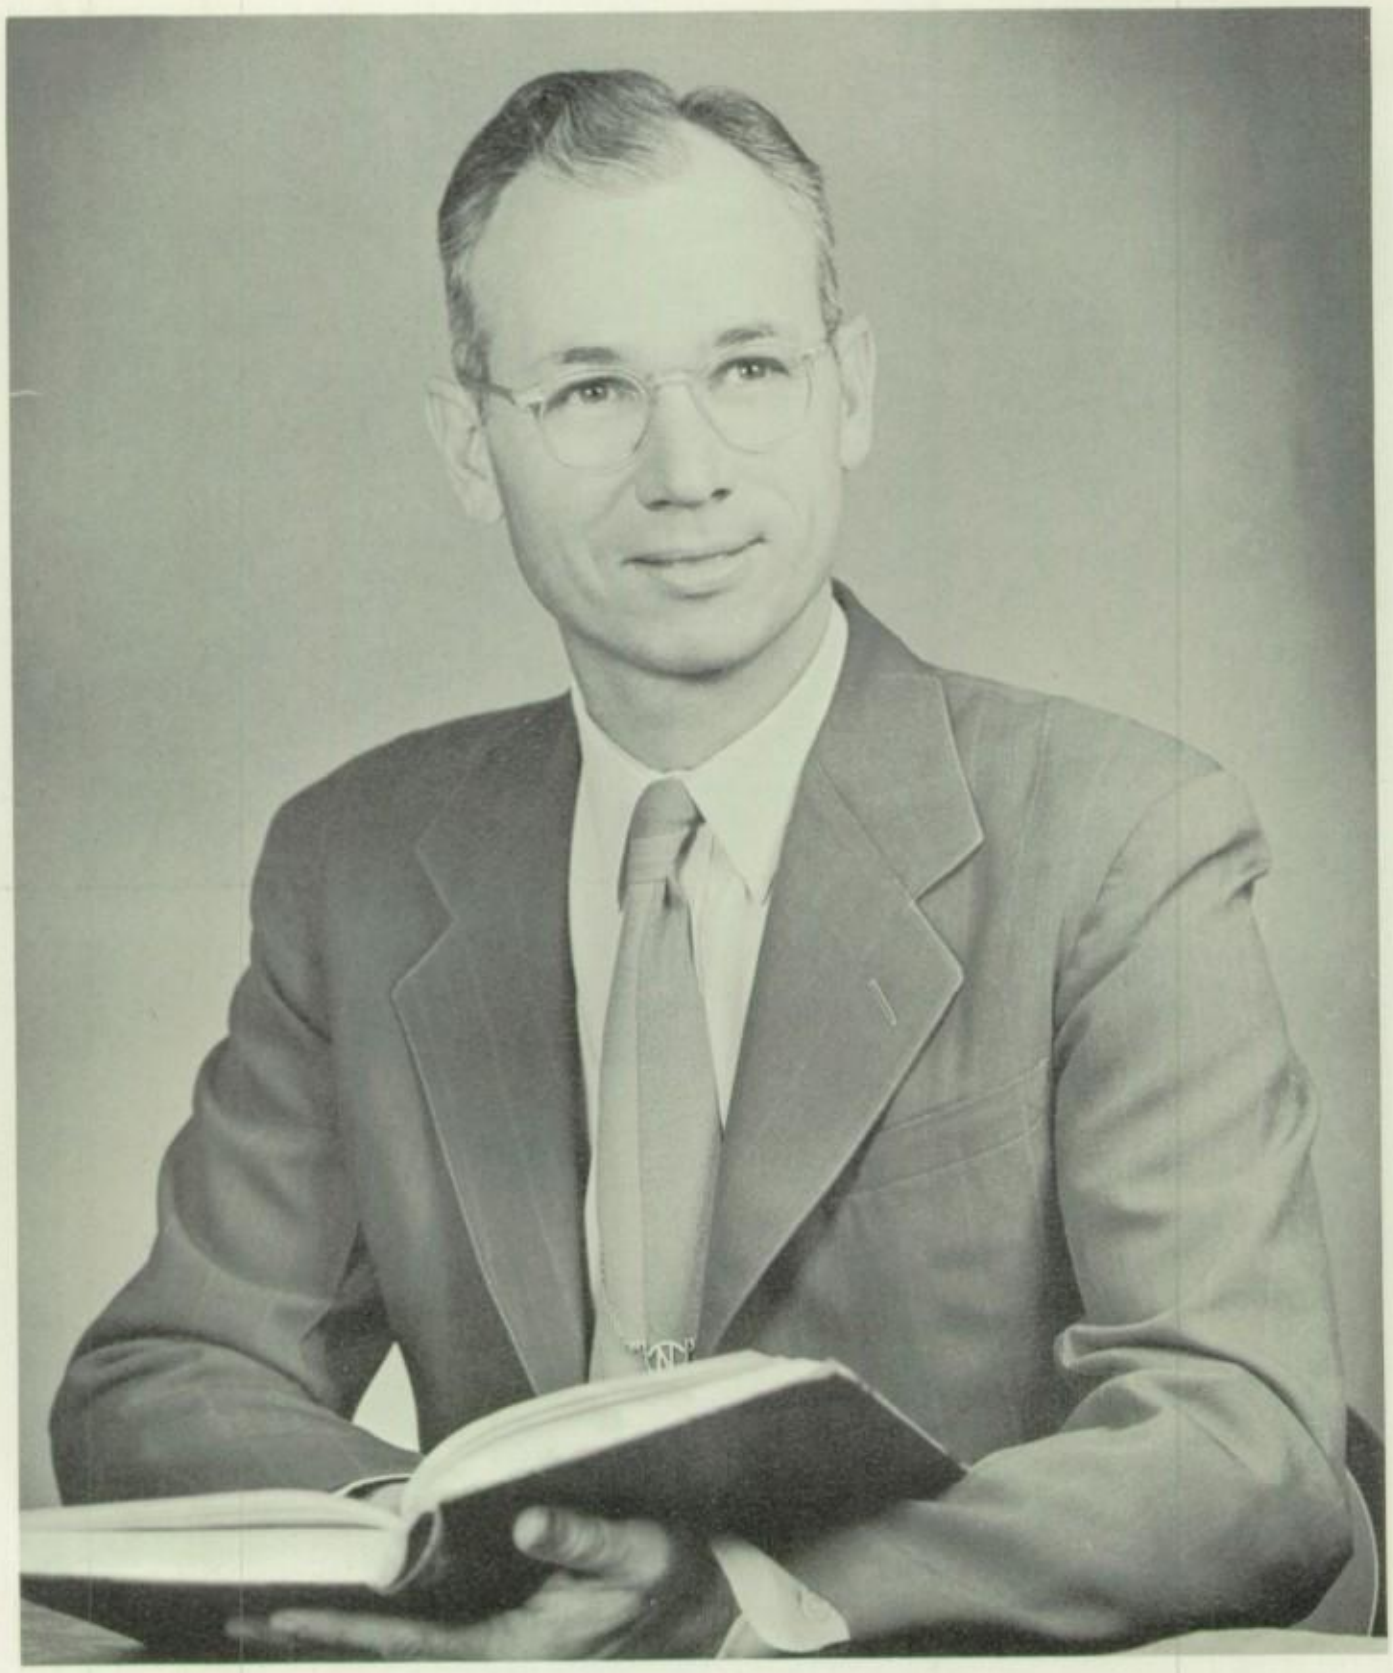
This year the Dedication goes to a very deserving person. All of us will agree that he tries his very best to help all students. He is untiring in his interest in school affairs.

We hope to show our respect and admiration for him in the Dedication of this annual. All students and faculty members certainly thank him for his important work.

We respectfully dedicate the 1960-1961 Glacier to

Mr. Robert Christian.

Superintendent



TO THE CLASS OF 1961:

Congratulations upon the completion of a successful school career in Winters. The cooperation, ambition, enthusiasm, energy, loyalty and responsibility demanded to complete your high school work will also aid you in successful work in college or adult life. Your future success depends upon you alone--no goal is impossible to achieve.

It is my hope that the many facts, abilities and character traits you have acquired in school will result in your life being successful, happy and of benefit to yourself, your fellow man, your community and your country.

Sincerely,

James B. Nevins

Principal

As we first turn these pages it is the beginning of the end of the 1960-1961 school year. It is a year that cannot be relived and our failures and our successes have become a part of permanent record of life that cannot be erased or completely forgotten. This book is a record of the 1960-1961 school year and for that reason it will become more and more precious with the passage of time. There will never be another time when all of your friends are gathered together. Graduation will claim many, others will move, and some, for various reasons will not return next fall.

For those graduating this time in life makes an actual commencement. Life and all of its challenges is just beyond school. Your years here have been in preparation for that challenge and for the many decisions that must be faced in the future. Let us hope that your preparation has been successful, that you accpeted the task seriously, and that you can make the decisions with integrity.

It has been a privilege to share this school year with you. May I wish for each of you a happy and successful life in the years ahead.

Sincerely yours,

Rodney D. Cathey

The beginning of school is the time for annual staff members to begin making layouts, selling ads, selecting the cover, and most of all, making special decisions about the theme and dedication.

When problems arise, Mr. Middleton is always there to give us a helping hand. We are grateful to him in every way.

We always strive to produce a better yearbook. After all the pages are out and the deadlines met, there is the impatient waiting for that certain day to arrive. When it does, we are proud of present to you the 1961 Glacier.

The Winters High School Blizzards

The Winters Blizzards, under the expert guidance of Coaches L. G. Wilson, Jerry English, Ed Cheek, and Samuel Walker displayed great form and outstanding sportsmanship during the 1960 football season. It is a team that will live long in the memories of all who witnessed the games; from the opening kick-off of the first game to the final whistle of the last game.

Out of the ten games played by the blizzards, only four were won. In district play the Blizzards won only one game, that being Ranger. They were defeated by Cisco, Coleman, and Ballinger.

COMPLETE BANKING

Most of you know, but few ever stop to think, what the services of a conservative, dependable bank are to this area. If one of us wanted to pay a bill in a distant city, a check can be written for the exact amount and The Winters State Bank makes the settlement with the party to whom the check was given. Those with no checking account who want to pay a bill in a distant city would be confronted with the ordeal of buying a bank, post office or express money order and pay a fee for it. These settlements are being made by the thousands each week through a well organized check paying system of which The Winters State Bank is a member. All these transactions are made with perfect safety and with an accuracy made possible by long years of service rendered by this bank.

The people of this county are invited to make use of this check settlement system by opening checking accounts with
